Open the door
to your
life's most beautiful
Moments

Milette opens our door to you!

You open and close doors to enter and exit rooms, to keep in the warm or cool air; to protect private moments, to divide spaces and to hide messes. Behind any door you'll find memorable moments. Not only do doors delineate your space, they also give personality to your daily life. They enhance your design and reflect your style.

Milette Doors manufactures superior quality doors with endless possibilities.

For installation and décor options or visit our website milettedoors.com.

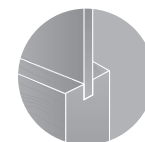

Follow these easy steps to choose your Milette door

1 Is your style classic or contemporary?
 Classic styles are more traditional, with added details built into door components. Contemporary styles feature angular shapes and minimalist lines. Our Colonial models offer more classic character, while Shaker models are more contemporary.

2 Choose your model according to your style.

Colonial model (Classic style)

Shaker model (Contemporary style)

3 Which kind of door do you need?

Regular slab door

BiFold door

4 Select a model from among the doors available.

Colonial series

- French door
- Panel door
- Frame door with aluminum grill
- One-lite Frame door
- Three-dimensional glass
- Exterior door

Shaker series

Milette Doors offers an infinite world of possibilities. Open up and take a look!

Colonial French door

Colonial styles are all-time favorites, reflecting today's trends while offering timeless classic designs.

Wood species available

Birch, Clear Pine, Knotty Pine, Maple, Oak, White Primed

Doors shown in Clear Pine.

Standard measurements

Thickness:

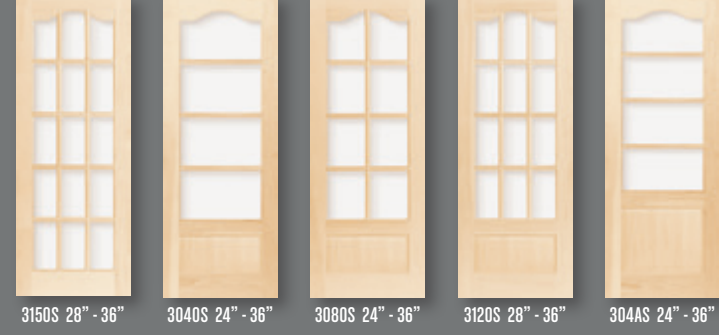

1 3/8" (35 mm)

Width:

16" to 36" (406 to 914 mm)

Height:

80" (2,032 mm)

▲ Door illustrated is #3040C, Clear Pine, Satin White glass

Colonial Panel door

Our panel door selection coordinates with century-old styles as well as today's new trends. We offer raised panel doors featuring panels in two standard thicknesses, 5/8" or 1 1/8", for added definition.

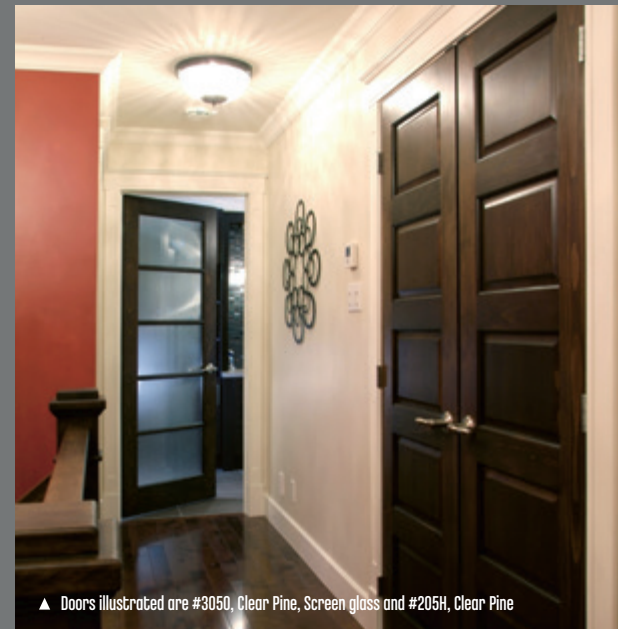

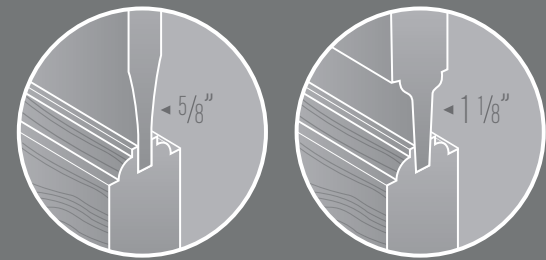

Wood species available

Birch, Clear Pine, Knotty Pine, Maple, Oak, White Primed
Doors shown in Oak.

Standard measurements

Thickness: 1 3/8" (35 mm)
Width: 16" to 36" (406 to 914 mm)
Height: 80" (2,032 mm)

*Doors available with 1 1/8" panels in Clear Pine and Knotty Pine only

▲ Doors illustrated are #3050, Clear Pine, Screen glass and #205H, Clear Pine

▲ Doors illustrated are #3050, Clear Pine, Screen glass and #205H, Clear Pine

Colonial Bifold panel door

In an era of increasingly restricted living spaces and multi-functional rooms, double bifold doors brilliantly overcome the challenge of a lack of space. Bifolds can also be used as a double door system to make any opening a grand entrance.

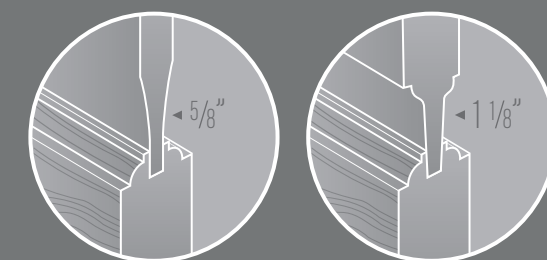

Wood species available

Birch, Clear Pine, Knotty Pine, Maple, Oak, White Primed
Doors shown in Oak.

Standard measurements

Thickness:
1 3/8" (35 mm)
Width:
20" to 36" (508 to 914 mm)
Height:
79" (2,007 mm)

*Doors available with 1 1/8" panels in Clear Pine and Knotty Pine only
