transform®

Transform is truly beautiful; a
wonderful

feat of engineering.
Congratulations!

– Kevin, Contractor, NY

RAILING REDEFINED™

No one has been able to develop a core material that maintains the look and feel of wood but that does not actually contain wood...until now.

Enter Transform®. RDI's resin based, state of the art Resalite® core contains no wood! Transform has the elements that you want in a wood railing- the weight, look, and feel of wood, and nothing that you don't. Transform will not absorb water so it won't rot and it resists weathering, discoloration, and sagging. Transform's exterior surface is 100% acrylic, which is even better than PVC. It's so durable, that Transform CRUSHES composite railing with a limited lifetime warranty. Did you know that bulletproof shields are made of acrylic? Now THAT'S tough!

Transform has been vigorously tested by a certified 3rd party testing agency. It has proved to exceed the requirements based on the 2012 ICC- IRC and IBC loading criteria. Transform's code conformity is shown in the Architectural Testing's Code Compliance Research Report - CCRR-0209.

The Transform Railing System exceeds U.S. building code requirements. Always consult your local Building Code Department for applicable regulations and product acceptance.

For additional information on Transform Railing or other RDI products visit www.rdirail.com or contact our Customer Service Department at (877) 420-7245.

TRANSFORM IS AVAILABLE IN:

SATIN
WHITE

WHEAT

CARAMEL

IRONSTONE

WHY TRANSFORM®?

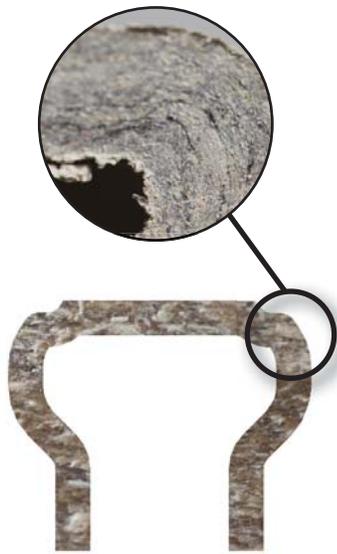

So many things are complicated these days and selecting a railing system should be the least of them. We, as well as the rest of the railing and decking industry, already know what the best building materials are, so we'll make it simple so you do too.

RAILING

Composite Railing
(Contains wood flour/fibers)

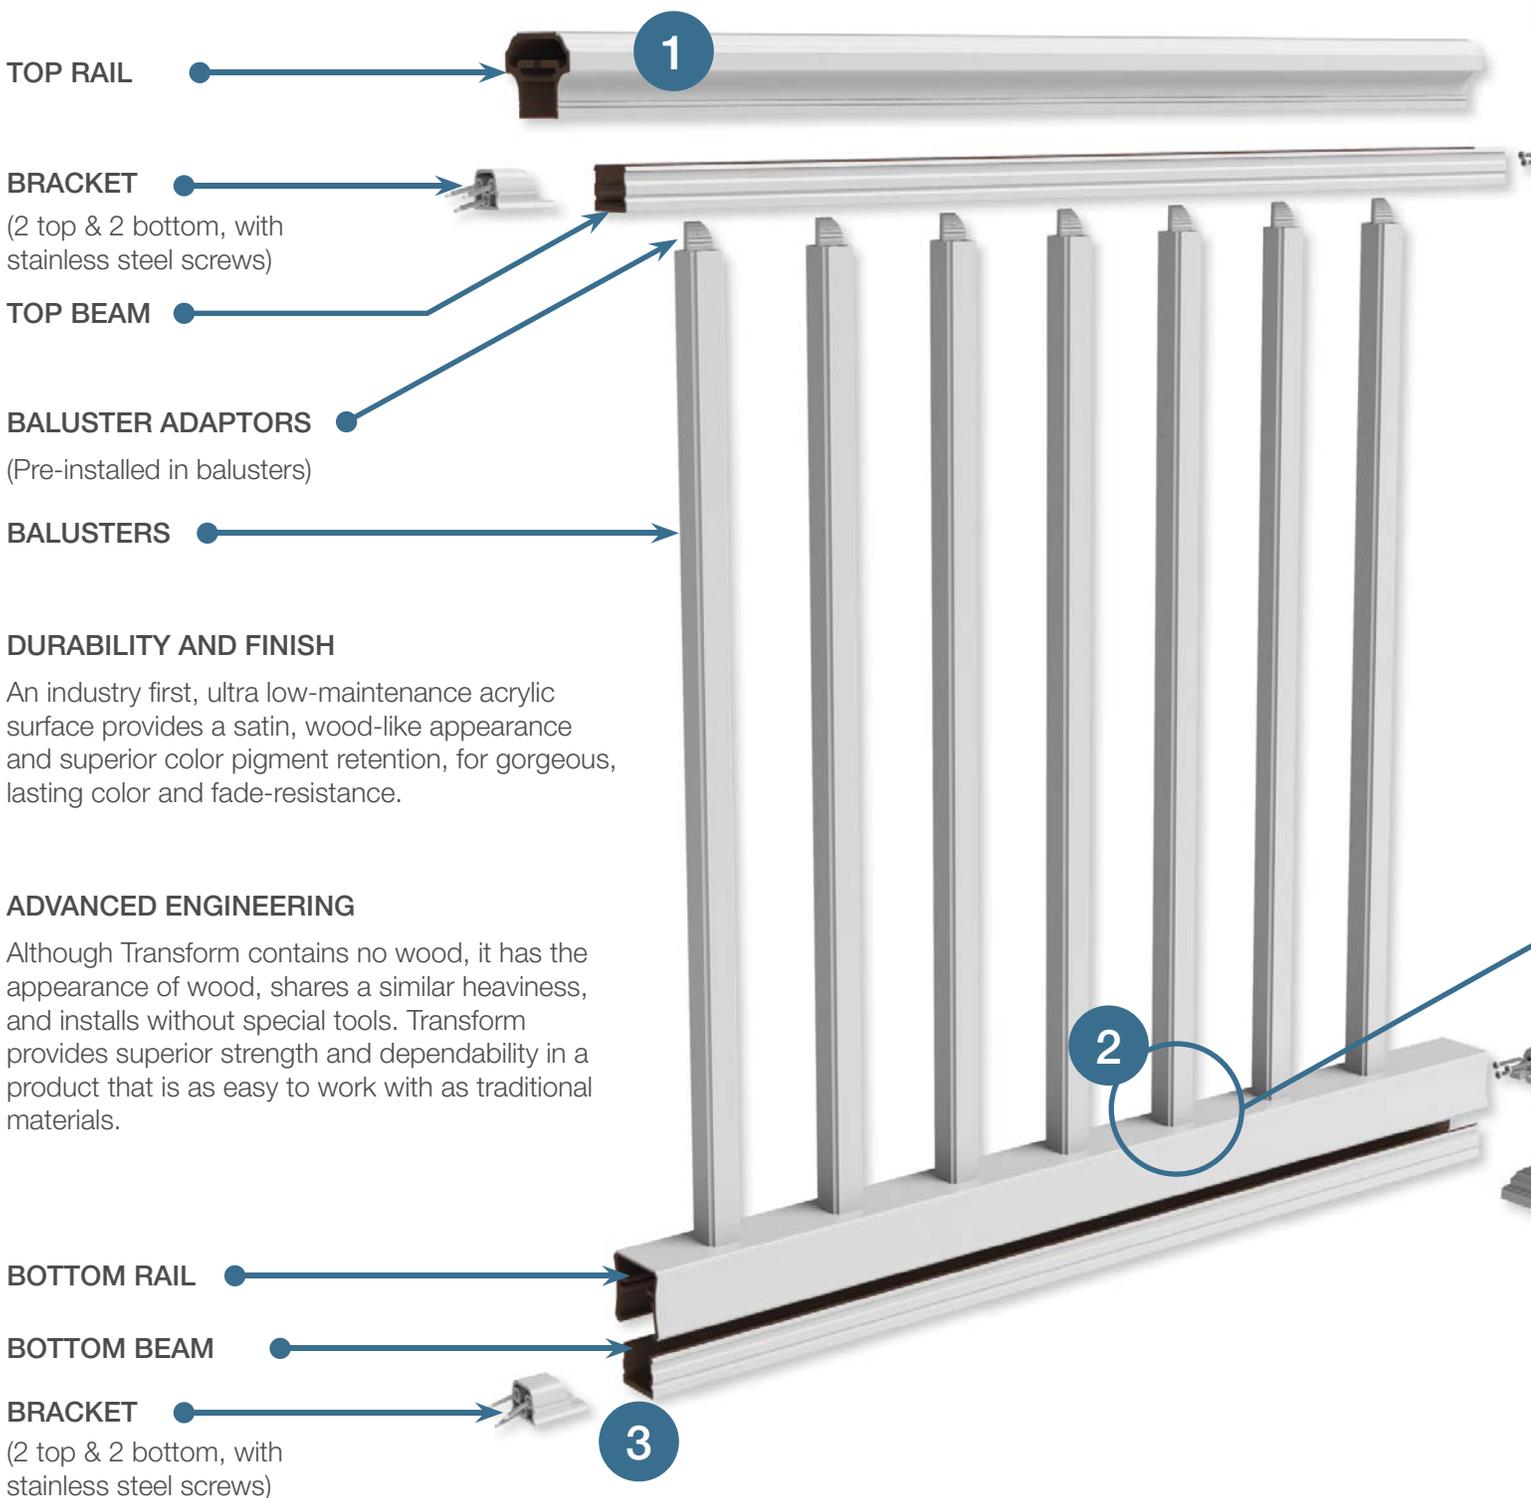

Capped Composite Railing
(Contains wood flour/fibers)

Transform
(Resalite core + acrylic cap)
NO WOOD FLOUR/FIBERS

FEATURE SPOTLIGHT

TOP RAIL

1

BRACKET

(2 top & 2 bottom, with stainless steel screws)

TOP BEAM

BALUSTER ADAPTORS

(Pre-installed in balusters)

BALUSTERS

DURABILITY AND FINISH

An industry first, ultra low-maintenance acrylic surface provides a satin, wood-like appearance and superior color pigment retention, for gorgeous, lasting color and fade-resistance.

ADVANCED ENGINEERING

Although Transform contains no wood, it has the appearance of wood, shares a similar heaviness, and installs without special tools. Transform provides superior strength and dependability in a product that is as easy to work with as traditional materials.

2

BOTTOM RAIL

3

BOTTOM BEAM

BRACKET

(2 top & 2 bottom, with stainless steel screws)

Transform rail is covered by US patent number 7,744,065 B2 and other patents pending.

1

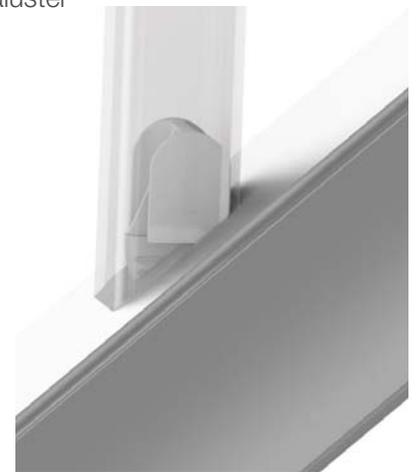

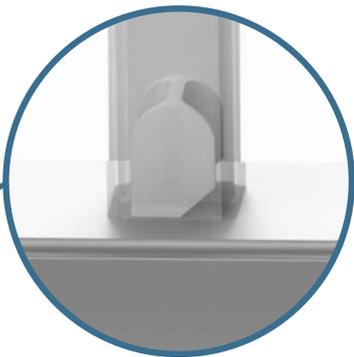

STATE-OF-THE-ART RESALITE® CORE WITH ACRYLIC CAP

Unlike Wood Plastic Composites (WPCs), Resalite contains no wood or organic fibers. Weather resistant and strong, Resalite won't absorb water or rot and resists discoloration, fading, and sagging.

2

SIMPLE LEVEL AND STAIR BALUSTER ATTACHMENT

Transform balusters attach quickly and easily with mounting adapters, saving time by eliminating the need for tedious nailing or screwing each baluster into the railing. This innovative baluster adapter works in level and stair rail configurations.

3

UNIQUE BRACKET DESIGN

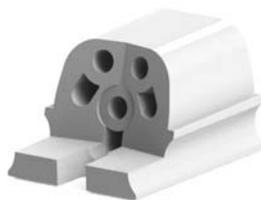

Brackets are completely concealed within the rail structure, providing a clean finished look. One bracket is used for all applications level, stair, and angled installations.

Level angle - 22.5°

Level angle - 45°

TRANSFORM YOUR DECK

Transform is available in a variety of styles to help you design your ideal railing system. Customize your railing system with unique styles and color options today and secure your deck with the durability and limited lifetime warranty Transform offers.

Transform | Aspire in Satin White with Satin White square balusters and Satin White post, Zenith post cap, and trim ring.

Transform | Presence in Ironstone with Satin White square balusters and Satin White post, Ironstone Pinnacle post cap, and trim ring.

Transform | Emerge in Wheat with 3/4" black round aluminum balusters, Wheat post, and Caramel Pinnacle post cap and trim ring.

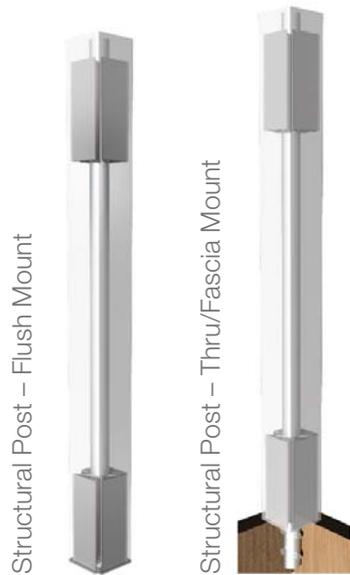

HOW TO ORDER

Several stock configurations are available as complete kits (Satin White only; top rail sold separately). Talk to your dealer today about stock options, and how to mix and match to get a custom railing that suits your personal style! All Transform components are available in all 4 colors: Satin White, Ironstone, Wheat, and Caramel.

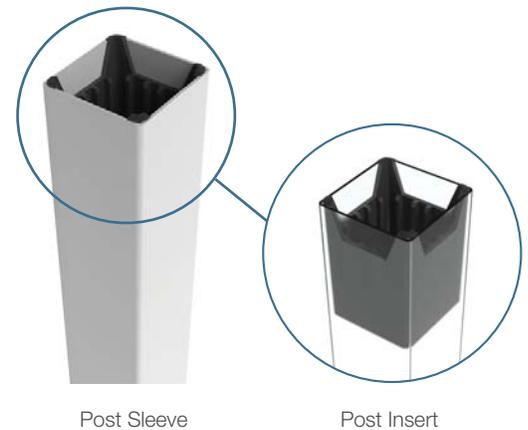

SELECT A POST (IF YOUR INSTALLATION REQUIRES A STRUCTURAL POST)

1a CHOOSE A STRUCTURAL POST

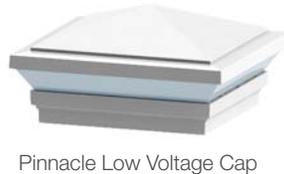

- 36" and 42" heights available

1b CHOOSE A POST SLEEVE

- 39", 54", and 120" lengths available
- Each post sleeve comes with 2 post inserts; can also be purchased separately

2 SELECT YOUR POST ACCESSORY OPTIONS IN MATCHING OR COMPLEMENTARY COLORS

3a

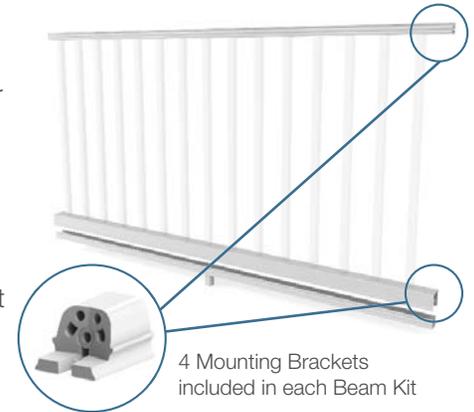

SELECT YOUR RAIL KIT

- Rail kits include Bottom Beam, Bottom Rail, Top Beam, Mounting Brackets, Mounting Hardware, Support Foot (1 for 6', 2 for 8') and Balusters. Available in Satin White only, with Square Balusters. **If purchasing a full rail kit, skip to Step 5.**

3b

SELECT YOUR BEAM KIT

- 6' or 8' (true length) available
- Can be used for Level or Stair applications
- Beam Kits include Bottom Beam, Bottom Rail, Top Beam, Mounting Brackets, Mounting Screws, Support Foot
- Mounting brackets can be cut for use in all rail applications (level, stair, or angled)

4

SELECT YOUR LEVEL OR STAIR BALUSTERS

Beveled Square (color of your choice)

Level

Stair

- 36" and 42" heights available
- beveled square balusters include baluster plugs
- square stair balusters are cut on a 32° angle

Black Aluminum Round

Level

Stair

- 36" and 42" heights available
- adapters sold separately, in boxes of 20
- stair adapters designed for stair angles 32-38°

5

SELECT YOUR TOP RAIL

PRESENCE

- Soft, curved silhouette creates a smooth grasping surface

EMERGE

- Flat top allows for decorative deck board top cap customization

ASPIRE

- Traditional top cover style with flat top and sleek angles

GRASPABLE STAIR

- Complies with IRC standards of graspability for stair rails

Aluminum Baluster Shoes – Stair – (Box of 20)	73019044 \$48.24

Aluminum Baluster Shoes for stair installation are designed to work from 32°-38°.

5 TOP RAILS

DESCRIPTION	SATIN WHITE	IRONSTONE	WHEAT	CARAMEL
6' Transform Top Rail – Aspire	73019069 \$48.53	73019073 \$53.37	73019071 \$53.37	73019075 \$53.37
8' Transform Top Rail – Aspire	73019070 \$64.71	73019074 \$71.16	73019072 \$71.16	73019076 \$71.16
6' Transform Top Rail – Emerge	73019080 \$48.53	73019084 \$53.37	73019082 \$53.37	73019086 \$53.37
8' Transform Top Rail – Emerge	73019081 \$64.71	73019085 \$71.16	73019083 \$71.16	73019087 \$71.16
6' Transform Top Rail – Presence	73019088 \$48.53	73019092 \$53.37	73019090 \$53.37	73019094 \$53.37
8' Transform Top Rail – Presence	73019089 \$64.71	73019093 \$71.16	73019091 \$71.16	73019094 \$71.16
6' Transform Graspable Top Rail – For Stair Use	73019009 \$48.53	73019011 \$53.37	73019010 \$53.37	73019012 \$53.37

For 45 degree angle railing, the Emerge top rail can be cut at 45 degrees and installed. However, if using the Presence or Aspire top rail, the two adjacent rail sections must be cut at 22.5 degrees and installed on posts mounted at 22.5 degrees. Please contact our customer service department for more information.

6 EXTRA ACCESSORIES

DESCRIPTION	SATIN WHITE
Transform Brackets – Set of 4	73019126 \$25.39
96" Aspire/Presence Top Rail IBC Stiffener – Box of 4	73019002 \$78.42
96" Emerge Top Rail IBC Stiffener – Box of 4	73019003 \$78.42

For commercial railing heights of 42", and lengths over 91", the IBC stiffener is required for code compliancy.
